<u>During Hours TapDash:</u>

Mon – Thurs: 9 – 5

Fri: 9 – 3

Customer calls 732 – 479 - 3050:

Greeting: *"Thank you for calling TapDash Payments. We appreciate your business and are here to assist you. If you know your party's extension, you may dial it at any time.*

For sales inquiries, please press 1.

For merchant support, please press 2.

For the Discover Settlement please press 3.

For all other inquiries, please stay on the line, and one of our representatives will be with you shortly.
Thank you for choosing TapDash and we look forward to serving you!"

If the customer presses 1:

- They should hear a message stating *"Please hold while we transfer your call to the next available representative. We appreciate your patience and will be with you shortly."* There should then be hold music until someone answers.
    - Transfer to the extensions for Eli Birnhack, Izzy Hershko and Jay Birnhack
- If someone does not answer within 1 minute, there should be a message stating the following: *"We are currently experiencing high call volume. If you would like to leave a voicemail, please press 1. Otherwise, simply remain on the line, and the next available representative will assist you shortly. Thank you for your patience."*
- If the customer presses 1 for voicemail: They should hear a message stating. *"Please leave your message after the beep, and one of our representatives will get back to you as soon as possible. Thank you, and have a great day!"*
    - *The voicemail should go to info@tapdash.co ONLY*
- If the customer does not press anything: They should continue to hear hold music for another minute and then the prior message should repeat itself. This should continue every minute until someone answers.

If the customer presses 2:

They should hear a message stating “Thank you for reaching out to merchant support. When prompted please press option 3 to reach one of our support representatives” The number should then redirect automatically to (800) 464-9777.

If customer doesn’t press anything for 5 seconds:

- They should hear a message stating *“Please hold while we transfer your call to the next available representative. We appreciate your patience and will be with you shortly."* There should then be hold music until someone answers.
    - Transfer to the extensions for Eli Birnhack, Izzy Hershko and Jay Birnhack
- If someone does not answer within 1 minute, there should be a message stating the following: *"We are currently experiencing high call volume.
